

British Lichen Society Herbarium Holdings [Updated 7.4.2013]

Species present in the BLS Herbarium are highlighted in **YELLOW**

The nomenclature is based on the BLS web based taxon dictionary as of 7.4.2013, which uses the new Checklists for lichens (Coppins 2002) and Lichenicolous Fungi (Hawksworth 2003) but incorporating additions and corrections to the Checklists made since publication.
