\*This will be a longer day

- We will do our best to stick to this timetable, but all venues and dates are subject to change for a variety of reasons, not least the weather!
- Unless advised nearer the time, outings will commence at 10 am and finish by 4 pm, although you can come and go as you please – no obligation to endure the whole day!
- Each attendee is responsible for their own dietary/comfort requirements (ie bring lunch and snacks). Please bear in mind there may not always be a shop or toilets close by!
- Please dress appropriately for the weather with sturdy footwear, waterproofs, sun protection etc.
- Please let us know if transport is required; we will do our best to help.
- There is usually some rough ground associated with lichen hunting, so bear this in mind when considering attending and please get in touch if you'd like to discuss any mobility issues – or any issues for that matter!
