

LICHENS

An Illustrated Guide to the
British and Irish Species

Frank S. Dobson

NEW – seventh edition now available
Offer and order information on reverse

Offer for members of the British Lichen Society:

Lichens. An illustrated guide to the British and Irish species. Edition 7, 520 pp. Published June 2018

This new seventh edition has been fully revised and updated, including new names for species accepted since the *Lichens of Great Britain & Ireland* (2009). It provides a description and illustration of most of the species likely to be found in Great Britain and Ireland, those excluded being very rare or local. Mark Powell has added a valuable new section on lichenicolous fungi. The book is produced jointly by Richmond Publishing and the British Lichen Society.
